## IMMIGRANT FAITH PHILLIP CONNOR

Nov 27, 2020

[Immigrant Faith Phillip Connor](#)

Immigrant Faith is the first study of immigrant religion based on quantitative analyses, and it is also the first to examine religion and immigration across varied national contexts and diverse religious traditions. Connor examines how religion influences the transition to the destination country, and how migration affects religiosity.

Phillip Connor, a researcher at Pew Research Center, says, 'Migrants bring more than their nationalities with them; they also bring their religion.' It is believed that about half of the world's migrants come from Christian backgrounds. This also reflects the global growth of Christianity and means that Western churches no longer represent the epicenter of Christianity or can assume they ...

Using immigrant data from the United States, Australia, and Western Europe, this paper tests the relationship between immigrant religious involvement and emotional well-being. Results demonstrate that regular religious participation is associated with better emotional/mental health outcomes. Conversely, non-religious group involvement (i.e., ethnic associations, leisure groups, work groups ...

Faith & Immigration. I now turn to the specific issue of immigration. In addressing this issue, my focus is on public policies—not with humanitarian impulses that arise when addressing particular concerns arising from the implementation of laws and policies. I mention this tension because international migration raises this issue with particular salience. Anyone who has visited an ...

Via immigration, North America is changing rapidly. The United States is now 13 percent foreign born, Canada at 20 percent. There is no question that God is doing something amazing in our time. As missionaries engage unreached people groups overseas, God is simultaneously bringing unreached peoples of the earth to our continent, often to our own backyards. Who is My Neighbor? is a biblically ...
