Shadowrun 2nd Edition vs. 5th in a 2050 timeline. So a friend ask me to put together a Shadowrun Game. I haven't played in over a year, which mean I'll have to go through and brush up on the rules again. However, My friends only experience with Shadowrun has been the video game Shadowrun Returns; I've been playing/collecting books since second edition. I want to run a game set in the 2050-2056 ...

In Second Edition. they changed some numbers for weapons around and set all staging numbers - the 4 from above - to be 2, automatically. To roll a high number like 8 or 10 on a d6, you roll the d6 and if you roll a 6, roll again and add the results together, continuing to roll until you stop rolling 6s. SR3 further simplified things with better wording and examples, and another few changes for ...
