Now professor Brooks D. Simpson has edited a big volume of his Sherman's correspondence from the Civil War years. Again it is the quality of the Sherman's writing which catches the eye and pleases the mind. His letters, as are his memoirs, are a joy to read. This book offers an interesting perspective on Sherman and his part in the war. Reading the memoirs is like having Sherman telling his ...

William Tecumseh Sherman was one of the generals most closely identified with the Union victory during the Civil War. After the conflict he became commanding general of the U. S. Army, during which time he presided over the destruction of the Plains Indians tribes and the resurgence in military professionalism in the 1870s and 1880s. But he is best known as an advocate of total war and for the ...
