[What I Talk About When I Talk About Running](#)

'What I Talk About When I Talk About Running' is a part running and part writing memoir from Haruki Murakami and although relatively short it kept me engrossed the whole way through. This follows Murakami as he talks about how he started running and how he trains for various events. It also looks at how his running has affected his writing and how one often helps the other. It is made up of many short essays that follow on from one another and flow well chronologically and sit well together ...

Haruki Murakami, What I Talk About When I Talk About Running As mentioned above, I can relate heavily to Murakami's experiences with running, and I think that's why I adored reading this book. Whenever I was able to do something I liked to do, though, when I wanted to do it, and the way I wanted to do it, I'd give it everything I had. Afterward, there are several chapters after the race ...

'What I Talk About When I Talk About Running' introduces us to Murakami as more than a writer. Here, he tells us how he began running seriously when he was 33, back in 1982. He has since competed in more than 20 marathons. On average, he runs six miles a day, six days a week, and though these days he isn't in top form, he has no intention of not running anymore. For "to give up running ...
